Course applied for (please tick):

Emergency First Aid (Adult and Paediatric valid for 3 years)

Food Hygiene in the field practical

IMPORTANT.

The Emergency First Aid course will cover content relating to Adult, Paediatric and Neonatal resuscitation as well as all key elements identified by the Resuscitation Council. These standards will need to be met and the skills required displayed effectively in order to obtain certification.

In order to complete the food hygiene in the field practical you will need to have completed at least the Online Food Hygiene Level 2 course costing approximately £15 and be able to show proof of this.

Are you applying for the above course as:

A registered walker

A registered support team member

Other (Please state) _____

Do you have any special dietary requirements. _____

PLEASE NOTE

These courses inclusive of lunch are being organised "FREE" of charge for all LSW registered walkers and registered support team member. By definition meaning that in order to attend and obtain certification free for 3 years you must at the time of the course be registered to either walk or be part of a support team. However, this course is also open to members of the public, businesses and sports groups and inclusive of lunch would be subject to a small fee of £20pp payable in full by the closing date of applications, the 30/04/2022. This fee will be added to the total raised for this years charity "Ashgate Hospice"
